

IRENE WAS SENSATIONAL!!!

We loved her, we just wish we had called her earlier.

She was so friendly and very easy to get along with.

Hi Irene,

It's Miki here, just using mums email :)

We are both great thankyou! The safari was the highlight of my trip! Thankyou so so much for taking us there, you were the best tour guide! and we really enjoyed your company.

Mum is so happy with her handbags, she can't stop talking about them haha

How are you?

We hope we didn't tire you out that day

xx

Miki
